

"Gloria Wilson is an exciting artist that truly loves the Lord. Look for great things to come from this Lady. You can see the compassion and love she has for the lost and hurting in her eyes as she sings. Her latest project is a must have, she has some really great songs on it. My wife and I count on her and her husband at the top of the field of Country Gospel Music."

Gloria Wilson is the true definition of a Christian Singer and performer. Her heart for the Lord is reflected in Her music. If you have not taken time to listen to Gloria's music then you need to do so. It will bless your heart."

"As a minister for CHRIST and gospel radio show host, I have met people that feel as though they have been called and chosen by GOD to go out into the world and lead others to CHRIST through special gifts. Many are truly called by Christ but many have been deceived by there own self-will. I believe that Gloria Wilson has been called and anointed by the master himself and I have watched her through tough times and lots of criticism keep on ministering for Jesus. That is the kind of people that God uses. The kind that never give up, the kind that know that all that matters is that GOD is pleased with there obedience. Gloria is and loves to be obedient to GOD. That is why I believe that God is using her ministry in a very powerful way."

Gloria Wilson

Award Winner. . . .

If you like country You'll like Glorya Wilson

One of the greatest events happened every Saturday night at the Sportatorium Arena in Dallas, Texas. Although simply called the '**Big D Jamboree**', there was most certainly nothing simple about it. The biggest Country Music Stars in the business gathered here to do a performance that was as big in Dallas as the Grand Ole Opry was in Nashville. Hundreds of cars and pick up trucks merged toward the arena from miles around to see Hank Snow, George Jones, Sunshine Ruby and Tex Ritter, just to name a few.

It was obvious that this night was going to be different than the others when a small, five year old girl with long red curls climbed the stairway leading to the stage. Wearing a red velvet skirt with matching vest, a white lacy blouse and a cowboy hat, the child quickly discovered the intense heat from the stage lights while the arena roared with thunderous applause. As a large hand holding the microphone extended towards her, the band kicked off '**Your Cheatin' Heart**'.

That's how it all began for Glorya Wilson. But the road that lay ahead was not to be an easy one. Illness tried to claim her life on three different occasions. Doctors sent her home to die, but God sent her home to recover....physically AND spiritually.

After turning her life completely to the Lord, she began realizing her dreams as songs took

on a new life as witnessed by fans and various Christian Country Gospel Music organizations. She was nominated for more than twenty-five awards from many organizations and receiving awards for 'Rising Star' of the year, 'Female Vocalist' of the year, the Special Achievement award, 'Top Song' of the year and 'Veteran Female Vocalist' of the year, just to name a few.

Now, a most seasoned artist by anyone's standard, her most prized award is for 'Top Song' titled '**Mamas Been On Her Knees**' because: "**I know my mother prayed for me daily**". Glorya has sung her Gospel music on the stage of the *Grand Ole Opry* in Nashville on several occasions with many of your favorite Country singers Bill Anderson, Connie Smith, Freddie Hart, Jim Ed Brown, Skeeter Davis, Jody Miller, Billy Walker plus many other's

These are but a few of the reasons Glorya is highly sought after for concerts, retreats, ladies meetings, seminars and conventions on the national level, but it doesn't stop here. Despite the fact of her never ceasing popularity, Glorya is warm, compassionate and witty. Quick with a smile, a friendly handshake and a genuine concern for others, you will feel like you are meeting an old friend for the first time.

For a great experience that will be long remembered, you won't want to miss this:
