"Glorya is a living testimony of God's love and grace. She ministers in song with Godly zeal and anointing. Glorya is a servant of God with great commitment and dedication to the vision God has given her."

Cheryl Davis

"When Glorya Wilson, an ordained evangelist/psalmist, begins to tell the great things the Lord has done for her, the anointing of God falls upon the hearer as a blanket. The expectancy that God will do mighty things so thoroughly sweeps over them that there is no room for doubt. Miracles, are commonplace. The gifts of the Spirit flow freely and accurately as she is moved with compassion for the needs of the people."

MIRACLES!

*"Most people don't believe in them unless they need one.
...But when the doctor says there's no hope, something
deep down inside their spirit reaches out
for the miraculous!"*

Glorya Wilson is no stranger to that feeling. On more than one occasion doctors have given her no hope. Glorya imparts her experience of God's availability and miraculous power to others. The anointing has become strikingly evident when she tells of the great things the Lord has done for her at her many meetings all over the city, the nation and the world!

Her first experience with the miraculous was in 1981 when Jesus healed her of a disease called pancreatitis. Diagnosed with pancreatitis, her doctors sent Glorya home from the hospital to die. However, through her faith in the Word of God for healing, and standing on what the Word says (not by what she felt in the natural) Glorya was totally healed, set free and delivered by the power of God. She then yielded God's call on her life.

Twice again the devil tried to take her life, once in 1985 and again in 1988. But the miraculous power of God preserved her and totally restored her to health. Glorya was overweight and wanted so much to lose weight. She was continuously dieting. She had been on every diet imaginable, and her closet contained clothes from a size 9 all the way up to a 24 1/2. She went up and down in weight like a yo-yo! One day she met a girl who had her stomach stapled and when Glorya got home she told her husband about this surgery.

They began to make preparations for Glorya to have the surgery even though many of her friends were saying, "Oh No! Glorya, this is not from God! God is not the one who is opening these doors." But Glorya was so desperate to lose weight she went into the hospital have the procedure done anyway. She did fine until the day they brought her food. For the next three years she was continuously in the hospital due to various complications related to the surgery. These conditions persisted until the doctor decided to reconstruct her

stomach in 1988. It was then that she came face to face with death. Satan said, "I have won this time!" But then Jesus spoke through the darkness from the most brightest, most exquisite light and said, "Satan you can't have her, this child is mine!" He then said to Glorya, "*I am sending you back, but only to proclaim my Word!*" Glorya has fought for her life by holding fast to her faith in God's Word. Glorya has believed what the Word says about her, not what the doctors have said. For a long time it was hard for her to even stand for healing because the devil would come to kill, steal and to destroy her faith. He would say, "How can God heal you? This is not a part of anything Jesus did on the cross." The Lord said to her, "*I AM A GOD OF MERCY, I AM A GOD OF LOVE!*" Then He gave her Psalm 107:20 "**...HE WILL EVEN DELIVER YOU FROM YOUR OWN DESTRUCTIONS!**" By holding on to her faith in God's Word, Glorya's life has not only been protected, but has been completely restored!

After all these brushes with death, Glorya's husband left her for another woman. Once again Glorya found herself standing on the Word for all of her needs to be met. She felt so alone, and again God spoke to her and told her she had made wrong choices but, as she became content to be with Him,

God would send Glorya the "*Mighty Man of Valor*" that He was preparing for her. So Glorya began to search the scriptures until God sent him. God fulfilled His promise three years later in 1994 when she met Bob! Bob went home to be with the Lord October 7, 2008. She is the author of several books, including "*Is There Anybody Out There Who Can Help Me?*"
